THE OLD EAGLE GOING IT WITH A RUSH
The Eagle
STEAM FOUNDRY
OF
TURTON & SERCOMB,
296, 298, 300, 302 and 304, West Water Street

IS still in full blast, working day and night to supply the daily increasing wants of the Badger and other States.

In order the better to do this the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planeing Machine or Shaping Machine, three Lathes, and a machine for making bolts, and are now putting in a Steam Engine of—horse power to drive the whole, thereby adding to their former facilities for the successful carrying on of the Foundry, Machine, Engine, and Blacksmithing business. They never were in a better position for doing business, and defy competion in any department.

In regard to the character of the work got up by this, *The Oldest Establishment in the State,* the Proprietors refer to that in successful operation thro' the country as their best recommendation, as it

Who is Col. Fremont?

Under this caption the Beaver Dam *Republican* which is just now endeavoring to earn a reputation with the Border Ruffian party—says every thing "politically, Colonel Fremont is a Know Nothing, whose philanthropy is bounded by national lines, and whose idea of freedom, consists in excluding foreigners, be they German or Irish, from participating in our general or local elections."

There is not a word of truth in the above statement. Not a single Know Nothing press claims that he has any sympathy with the peculiar principles of Know Nothingism, nor can a word or line be shown from him, to give the least countenance to such a charge. On the contrary, a large portion of the German press of the country are enthusiastic in his support. The *Republican*, after making this statement, proceeds to accuse Fremont of being in favor of dissolving the Union, desecrating the churches, which "should be an asylum for religion," and of communism and treason.

The *Republican's* religion needs an *asylum*, such as is provided for the insane, or for criminals; we are puzzled to tell which. It runs through the catalogue, of which the above are samples and then adds the following postscript, in capitals:

"P. S.—LET THE PEOPLE STUDY THE CHARACTER OF COLONEL FREMONT, THE BLACK REPUBLICAN CANDIDATE FOR PRESIDENT, AND THEN DECIDE FOR THEMSELVES WHETHER THEY WILL VOTE FOR HIM OR NOT."

And we say, on the contrary, let John C. Fremont, the man, be studied. He never owned a slave, and would have no part in the practice of holding slaves as it resulted, early in life, never to be implicated in the business of buying, selling or holding men and women as chattels. This sentiment from the lips of both John C. Fremont and his accomplished wife.

Hon. Mr. Lewis can step down from the stand.

The Watertown "Anzeiger."

Of the 24th, complains of the ill-treatment it receives from some of the Democratic presses, because it has dared to speak against some Resolutions relative to the Fugitive Slave Act, passed by the Democratic Convention at Cincinnati. Still, it supports Buchanan and Breckenridge. It says it cannot support Fremont because he has been nominated by a party which has not passed one Resolution acknowledging the equality of *all* men; also, every State not being represented, the Philadelphia Convention cannot be called National. It also says, Fremont may have done much for the Union by his important discoveries, but thinks that does not make him a great statesman, competent to guide the "wrongly ballasted ship of the Union, with safety, through the waves and storms of critical times."

If the editors of the *Anzeiger* will look carefully at the Resolutions of the Philadelphia Convention, they will see that the Republican party has reaffirmed the political equality of men, and discards all distinctions on account of religious faith or birthplace.

☞ The *Northern Zeitung*, the organ of the German population of that city, has boldly and unequivocally indorsed the nominations of the Republican party, in an article occupying over one column of that journal, and written with the very highest degree of ability. It clearly and ably presents the political questions of the time, gives a succinct History of our present political organization, and favors the Republicans as being the only party in favor of Progress and Freedom.

☞ The Manitowoc *Herald* says "the Democratic party have no right, share or sympathy" in the brutal assault upon Senator Sumner.

The *Herald* cannot be ignorant of the fact that the entire Southern Democratic Press, the Southern Democrats, and a large part of the Northern *allies*, justify the outrage. It has, therefore, by appropriation, become the property of the Democratic party.

☞ How comes it that postage on printed matter is so much higher when sent by individuals than when sent by publishers. One of our boys wished to send a volume of about 100 pages into the country some 80 miles, and was told the postage would amount to *one dollar and fourteen cents!* about one-third more than the original cost of the book! Will our Post Master explain?

ACCIDENT.—The Watertown *Anzeiger*, of the 28 h inst., says: A young mason (a German) named William Muller, was fatally injured, on Wednesday last, by the falling of some timber of a house, on the road leading from Watertown to Dodge Centre, about 6 miles from the former place. Several other workmen were also—though not dangerously—injured.

The Excursion to Watertown.

The Excursion to Watertown, by the young ladies of the Female College, took place on Saturday, according to appointment, and was completely successful, so far as the enjoyment of the occasion was concerned. There were three car-loads of excursionists, numbering nearly two hundred, with a number of gentlemen and a fairer and happier company we have seldom seen. They were accompanied by O. F. BLOUNT, Esq., Superintendent of the Milwaukee and Watertown Railroad, to whom the party were much indebted, for his assiduous endeavors to render everything agreeable.—Having taken the 8:30 Express train, they were whirled away to the Junction at a very fair rate of speed. The appearance of the country through which they passed was beautiful, and the scenery in full perfection, as on any Western road. The day was warm, though a brisk sprinkling which fell from the cars rendered the dust no annoyance.

Arriving at Watertown at 9:30 A. M., the ladies form in procession and marched to a grove nearly half a mile distant and in the immediate vicinity of the Watertown Female Academy. Here tables and seats had been prepared by the citizens of Watertown; and after a short rest the company were called to order, and the Rev. Mr. NILES, of that city, introduced to them, who, in behalf of the school's and teachers, clergy and congregations and the citizens of Watertown in general, welcomed them in a brief and appropriate address. Superintendent BLOUNT responded, in a few neat remarks, returning the thanks of the young ladies, and the friends of the institution with which they were connected, for the kind greeting which they had received from the friends of Education in Watertown.

The Company then seperated into small parties, to partake of the refreshments which they had brought with them, after discussing the merits of which, they resorted to various kinds of amusements to pass away pleasantly the few hours of their stay. Here was a party, engaged in earnest conversation, while another wandered down to the river bank, tastefully decorating themselves with beautiful wreaths of green oak leaves; in another part of the grove, at one of the tables, a company, having partaken an excellent repast, were engaged in the philanthropic work of distributing a portion of the good things thereof among a number of hatless and shoeless mendicants; a few stole away, unobserved, with book in hand, to seek the shelter of some majestic tree, where they might enjoy an undisturbed quiet, and peruse some favorite work; while yet, at the various swings, were congregated the younger ones, each stoutly contesting that it was "her turn next!"

After several hours thus spent, the company returned to the cars, and at 3:30 the train left for this city. The homeward trip was also pleasantly enlivened with a few choice songs, and when the cars with smiling faces, merry greetings and happy hearts. The return trip, we understand, was one need wish, and they all arrived safely at the Depot at 5:35 P. M., without having occurred to mar the pleasure of the excursion. The young ladies may well enjoy the ride as well it is agreeable, and return ed, well satisfied with the excellence of the day.

"Strawberry Farm."

Having concluded to spend the Sabbath in the country, both for our spiritual and temporal benefit, we proceeded thither on Saturday evening, in the full anticipation of a rapturous welcome and glorious visit amid friends made years ago. By so doing, we paid a visit to "Strawberry Farm," and the question will very naturally occur to our reader, "Where is it?"—We will tell you. It lies fifteen miles distant from this city, in Waukesha County, on the north-west shore of Pewaukee Lake—better known, perhaps, as "Little Muskego"—and in a lovely spot just at the foot of Prospect Hill. There, in an ancient-looking, but comfortable domicil, resides our old friend POST, who, tho' quite well advanced in years bears bravely but calmly, the enervating effects of Old Father Time.

Having taken the liberty to go "cross-lots," whither we pleased, we came up in a foot-path through the old gentleman's extensive garden; but before reaching the house, we became conscious of the fact, from the delightful fragrance of the air, that there might be strawberries not a thousand miles distant. But as our eyes yet retained visions of printing offices, &c., we stumbled along, blissfully unconscious of our surroundings, until we reached the house. We were kindly greeted by Mr. P. and his lady, and found them as ready as ever to extend to all that welcome New England hospitality, which, transplanted in the rich soil of the West, only grows more generous and liberal. The old gentleman still retains a lively interest in the religious and political affairs of the country, and expressed his admiration of Col. FREMONT in very warm terms. He is yet, as he always was, an ardent friend of liberty, and a thorough Abolitionist, in such times as these."

Upon making inquiry as to whether his splendid garden contained any of the fruit which had regaled our olfactories with its odor, while coming up the path, our friend smiled, and invited us out to see for ourself. But what a beautiful sight! A half an acre, or more, of strawberry beds, covered so completely with large and tempting berries, as almost to shield from view, the ground beneath them! The temptation was too strong, we couldn't resist it, and the consequence was, that when we got through, the strawberry market was down—and so were we, for it required considerable effort to get up. The vines were exceedingly prolific, and though several bushels had been picked from them, Mr. POST concurred in our estimate that there were at least *five bushels* unpicked at that time. After some time spent in rambling through the garden, Mr. P. presented us with several quarts of delicious berries, and also insisted that we should accept a beautiful bouquet culled from his flower-beds.—We did so, and prepared to leave, with many thanks for the kind treatment with which we had been favored, and a promise that their cordial hospitality should long be held in grateful remembrance.

The Young Men Awake!

The indications are that the Young Men's Meeting, on Wednesday evening next, will be a large and enthusiastic one. Delegates have been appointed by the College students at Waukesha, and they will be on hand. Important action will be taken at the meeting in regard to the coming campaign. They intend also, to ratify the nomination of FREMONT, and steps will be taken for the organization of a Young Men's FREMONT Club. We hope no one will stay away from the meeting, under the impression that it is confined exclusively to Young Men. They earnestly invite all to meet with them.—Let them the Hall be filled to overflowing.

The *News* in reply to our correction of its statement that the Republicans of the House of Representatives can expel Brooks any day they choose, says it did not think it took a two thirds vote to expel. We had previously quoted the Constitution to the fact repeatedly, and for more than a week past, it could scarcely open a Republican State paper but what contained the same statement. We can't imagine where the Editor of the *News* has kept himself lately, to be ignorant of a fact, which has been so prominently before the public. To the *News'* charge of being personal we plead *not* guilty. We merely drew a legitimate inference from its own remarks.

SUICIDE.—The Watertown *Anzeiger*, of the 20th inst., (Saturday) informs us that a young man named Emil Rosenbaum, the German clerk of the Watertown Bank, committed suicide during the night between Thursday and Friday of last week, by shooting himself with a pistol. When the Bank was opened in the morning, he was found lying on his bed, a ball shot through the heart. He was born in Bohemia, and was about 29 years of age. In this city, where some of his relations live, and where his remains were sent, he was first in Mr. Pendleton's employ, and afterwards in that of Mr. Adams, as clerk; and last fall he was made clerk in Mr. Pritchard's Bank. Mr. Pritchard was very well satisfied with him, and when he, some time since, intimated to his Principal that he would have to leave the Bank, because (according to his statement) he was unable to repose some suspicions resting on his character, while in this city, Mr. Pritchard requested him to renounce such thoughts,—having personally investigated the matter. Rosenbaum, however, was not satisfied, and last night he committed the awful deed. He left some letters for his relatives in this city, stating that life was a burden to him, and soliciting their forgiveness for the terrible deed.

MILWAUKEE.—In our recent visit to Milwaukee we were greatly pleased to notice the evidence of thrift and substantial prosperity which surrounded us on every side. Splendid stores of neat beautiful, cream colored brick, peculiar to Milwaukee, are going up on all the principal streets; while dwellings are rearing in every beautiful locality, and in all respects the citizens of Milwaukee have the best reason to be proud of the beautiful location of their city and her position as the commercial centre of the great and growing State of Wisconsin.—*Sandusky Register.*

THE following item from the *Neenah Bulletin* will give a faint idea of the increase of business at that point, and the rapidity of the growth of that enterprising city:

NEW BOAT FOR MARQUETTE.—Thomas Bond, Esq., of Butte City, owned by W. C. Smith, Esq., of Fond du Lac, passed here yesterday on her way to Green Bay. She is not quite finished, but will be, we think, one of the finest boats running.

The steamer Morgan L. Martin, Capt. J. Terry, ran on the morning route, Green Bay to Chicago, last week, touching at Sheboygan, Milwaukee and Racine. She is looking for a desirable boat for passengers. Five boats have visited Manitowoc yesterday and Saturday, and two are expecting two more to-day.

To the Officers of the Press Generally.

The Committee on invitations for the La Crosse and Milwaukee Rail Road Celebration and Grand National Jubilee, to be held in this city on July 4th, 1856, beg to extend a cordial and unanimous invitation to the Members of the State Government, and Senate and House of Assembly.—the Military and Fire Companies.—Newspaper Press—Mayor and Board of Aldermen—Mason and Odd Fellows Lodges, and citizens of the Cities of Milwaukee, Madison, Janesville, Racine, Fond du Lac, Oshkosh, Watertown, Portage, and surrounding villages, and also to the President and Board of Directors of all Wisconsin Rail Roads, to be present and unite with them in the festivities of the occasion.

REAL ESTATE SALES.—The Janesville *Free Press* says:

H. A. Seale sold to Steve Rines block 4 . . . Palmer & Sutherland's Addition, near C. S. P. & T. R. R. Depot, for $11,000. Thos. J. Bokingham sold to E. H. Strang 16 acres on Wilson Avenue, out City limits in Harmony, for $1,800.

Col. Scribner sold to Mr. Sively 4 small lots in Scribner's Addition for $560.

H. P. Culver sold to Daniel Bacon 2[illegible] . . . Milton Avenue, outside city limits in Harmony, for $2,000.

A STRAW.—A package passed through the Cleveland Post Office, with the following singular but significant inscription:

"To the Next President of the
United States."

Our Post Office boys sent it towards Wheatland, Pa.—*Cleveland Plaindealer.*

Another instance of depravity in Post Office officials. Letters of importance never reach their proper destination, now-a-days.

FALSEHOOD.—The Hunker papers are copying a paragraph from the Charleston (S. C.) *Standard*, to the effect that Abner Sumner,—a brother of Senator Sumner—who lately fell heir to some slaves in that state, sold them, and refused to sell a husband to the buyer of his wife and children except at an exorbitant profit.

Senator Sumner has no brother or relation of that name.

NOMINATION.—Jackson Grimshaw is the Republican nominee for congress in the fifth District of Illinois.

HOME.

TUPPER.

I NEVER left the place that knew me,
And may never know me more,
Where the chords of kindness drew me,
And have gladdened me of yore,
But my secret soul has smarted
With a feeling dull of gloom
For the days are departed,
And the place I called my Home.

I am not of those who wander
Unsettled of home and love,
But my heart must still be fonder
Of my sites of joy or care;
And I pine as I journey's by me
Though my faithless foot may roam
Where I've not been able to linger,
To the place I call my Home.

IMPORTANT TO SETTLERS.—By an extract from the Menasha *Advocate* we learn that the Register and Receiver of the Menasha Land Office have received the following orders from the Department at Washington:

You are advised that settlements are authorized *upon any of the lands* [for R. R. purposes] thus withdrawn, and rights of *pre-emption* may be acquired, as well to sections which may be *and* unsurveyed, and within the six mile limits of the line of the Railroad, as to the other lands so reserved. By the 1st Section of the Act [giving lands to Wisconsin for Railroads] referred to, the United States can dispose of, by pre-emption, any of the lands thus withdrawn *up to the time "when the lines or routes of said roads are definitely fixed."* Then and not till then, will the right of the State attach, under the said act, to all vacant lands in the *odd* numbered sections within the six mile limits.

Murder and Outrage in Missouri.

The following is an extract from a private letter received in Chicago:

SAVANNAH, Mo., June 15, 1856.

Yesterday the Northern Methodists held a quarterly meeting at Rochester, a place about seven miles from here. Some of the slave-holding rowdies gave them notice to leave the State a few days before. But instead of paying any attention to it, they commenced their meeting. A band of ruffians entered, took possession of the preacher, tarred and feathered him, and killed one man in cold blood.

Fire at Dunleith.

On Thursday the planing mill of Messrs. Rublee & Warwick at Dunleith took fire, and was, with its contents entirely destroyed. It contained about 50,000 feet of lumber, among which were $1,000 worth of doors and sash already worked. The loss is estimated at $10,000, with no insurance.

☞ The safe of the str. *Atlantic*, sunk in Lake Erie, has been raised. It contained $33,000 in money $5,000 in gold, the balance in bills. The new bills were comparatively uninjured, but the old ones are much injured and defaced.

☞ The Light Guards were out on parade, Saturday, in their new fatigue dress, and looked and acted more soldierly than ever. They were presented with a beautiful banner, by the ladies of the city, through Gov. McArthur, who made a speech well suited to the occasion.—Mr. Francis Bloodgood on the part of the Guard received the present with a few appropriate remarks. The company will leave by the boat, this evening, for the Encampment at Chicago. That they will bear away the palm, we have no doubt.

FIGHT AT CAMP MEETING.—The Platteville *American* of the 27th inst., says:—A fight came off at the Primitive Methodist Camp Meeting, at Block House Branch, last Sunday. Two young men, Hackett and Hatfield, having difficulty (about a girl, we believe), undertook to settle it by a fight, Hackett jumping on to Hatfield, beating him very badly, especially about the head, so as to cause considerable flow of blood. They were both arrested, tried and fined, the former $20 and the latter $5.

SUICIDE.—We learn that an Irishman, whose name we are unable to obtain, committed suicide on Saturday morning last, by filling his pockets with stones, and jumping into the river, behind the Phœnix Mills. His body was recovered and interred at 11 o'clock on Saturday. He was supposed to be insane.

DENTISTRY.—We invite the attention of all interested to the card of Drs. HANSON & HASKELL, in our columns to day. They are recently from Boston, and come highly recommended. They also refer to some of the leading business and professional men of this city. We have no doubt of their ample qualification for the practice of their profession.

COLLISIONS.—The schooner *Twin Brothers* came in collision with the Walker's Point Bridge, on Saturday while being towed through the opening, damaging the bridge about $25.

The schooner *S. Bates*, deeply loaded with lumber, in passing up the river, Saturday, struck the steam pile driver a hard blow, damaging her engine and boiler to some extent.

DEAD CHILD FOUND.—On Saturday afternoon, Policemen Kessler and Coughlin found a small box, containing the body of child about 3 days old, on the bluff at the end of Mason st. next to the Lake Shore. No marks of violence were visible on the body. No clue could be obtained as to the parents of the child, or the parties who had left it there.

OLE BULL'S CONCERT.—We trust that our readers will not omit to attend the Concert of this distinguished artist, at Young's Hall, this evening. The charming little PATTI will delight the audience with her splendid singing. MORINO, ROTH, and SCHREIBER will also be on hand to please all with an exhibition of their talents. Go, by all means.

BOY DROWNED.—Yesterday, while bathing in the canal, a boy by the name of Frederick Schumaker, was drowned; having ventured beyond his depth. He was about 16 years of age.

WEEKLY REVIEW.

Office of the Free Democrat,
Milwaukee, June 30, 1856.

DURING the last week, markets have been dull and receipts fallen off. We have had very warm weather, interspersed with frequent showers of rain, which has had a most effective operation.

From all parts of the country we hear but one sentiment in regard to the prospects for the present growing crops. What promises to have a most direct influence upon values, however, is the opposition that has been developed in Great Britain to the Corn laws, for the repeal of the same. Corn is looked for, at any rate, to make a full average crop, and Oats, which is the great article for producing this great staple of America.

WOOL.—The receipts for the week have been small to any considerable quantity, and that of an inferior quality. The average of the sales for the week is about 25@30c, and the range from 23@33c. Well cleaned and fine wool still brings a slight advance upon last years prices.

Later from California.

$2,270,000 IN SPECIE!

HIGHLY INTERESTING NEWS!

NEW YORK, June 28.

The steamer *Philadelphia* arrived here this A. M., from Havana June 23d, with $1,000,000 in specie. No news of importance from Havana. The steamer Empire City had arrived there.

The steamer Illinois arrived this A. M., from San Francisco with $2,270,000 in specie and 910 passengers. She connected at the Isthmus with the Golden Age which brought down $2,358,000. The steamer Sierra Nevada overdue from Nicaragua, had not arrived at San Francisco when the Golden Age left. Immediately on her arrival, she was to be despatched with troops for Gen Walker.

The Sonora arrived with dates upon to June 1st.

The papers are filled with matter relative to the revolution at San Francisco.

Casey and Cora were hung by the vigilance committee, at the same time the funeral rites of Mr. King were being performed. The place of execution was surrounded 2,000 bayonets. Ex-Judge McGowan, formerly sheriff of the police, in Philadelphia, had been indicted by the Grand Jury an accessory to the murder of King. The vigilance committee had arrested several ballotbox stuffers and depredators and the committee have also obtained possession of a fraudulent ballot box of ingenious construction which was used at the last municipal election. The most astounding election frauds have been discovered.

On June 2nd the opponents of the vigilance committee held a mass meeting on the Plaza; first warning by printed placards the friends of the committee not to enter Plaza during the meeting.

The announcement of this was to show the real strength of the law and order party; there were about 2000 present. No violence, but much confusion. Resolutions were passed, calling on the people to resist the Vigilance committee. Judge Terry of the Supreme Court had issued a writ of habeas corpus demanding the prisoners from the committee; it was resisted. On the 3d, the Court issued a proclamation declaring the country in an insurrection and authorizing the Major General of the 2nd division of the State to raise an army to preserve law and order; this action did not alarm the committee, for they have 5,000 men equipped and ready for immediate service, being thoroughly organized and in constant drill for two weeks, under competent officers. Men and money are at their command; it is confidently believed the Governor's efforts will amount to nothing.

Volunteer companies in San Francisco and Sacramento have disbanded, to avoid being called out by the Governor. It is rumored that 1200 men had enrolled themselves under the governor. No collision was anticipated.

Nicholas Graham, a murderer, was hung, May 31st by the authorities of San Francisco, within the walls of the jail. The event caused no excitement.

A petition, numerously signed, is in circulation asking the Governor to call an extra session of the Legislature.

The Vigilance committee, in a card, deny having any thing to do with the petition.

The San Francisco Herald the only paper which opposes the committee, puts a different coloring upon the affair, and says the Governors proclamation is eagerly responded to.

Citizens are pressing forward to enroll under the authorities, and that on June 4th 500 men were enrolled, and that by Saturday 10,000 men would be under arms on the side of law and order.

Three distinct divisions of militia were ordered out, and many new companies of volunteers were forming.

San Francisco markets were very dull, and money very tight.

Dates from Panama are to the 19th. Nothing important from Valparaize: dates to May 15th; Callao May 25th.

Mr. Corwin, U. S. Commissioner to enquire into the Panama riots, was at his post busy in the investigation. The Star says the testimony so far collected, affords overwhelming proof of the brutality and unprovoked attack on passengers, and of the complicity therein of the police and authorities. The Governor, it is said had refused to co-operate with Mr. Corwin, or to recognize his authority, until he had received orders from Bogota, for which he was waiting.

The Chicago Emigrants.

A gentleman who arrived at Chicago, on Saturday, reports the disarming of the Chicago Company at Lexington, as follows:

Three to five hundred Missourians and South Carolinians, driven out from Kansas by Sumner—with citizens of Lexington, gathered around the landing with cannon; threatening to fire on the boat if their demand was not complied with. The captain insisted on the delivery of the arms as the only way of preventing the destruction of the boat.

The Star of the West was boarded on her arrival at Weston, by a party of men, who arrested the entire company, and intended to escort them back the same way they came, instead of letting them enter the Territory.—Later intelligence says the Star of the West is on her return, and will land the Chicagonians at Alton to-night. They are under the guard of a party of Carolinians.

From Havana.

The steamer *Issabella*, from Havana June 25th arrived at Charleston Saturday.

The Cholera and yellow feaver were prevailing at Havana.

Sugar in advance another real.

Molasses scarce, and firm with advancing tendency.

Sailing.

KEY WEST, June 25.

The steamer *Merrimac* leaves to-morrow for Boston.—Her European trip is abandoned, as her machinery can't be repaired without docking.

The *Susquehanna* sails to-morrow for the Mediterranean.

CONGRESSIONAL.

The House, on the 25th inst., resumed the consideration of the bill providing for the admission of Kansas into the Union. Mr. Stephens having the floor, intimated his design to offer a substitute. Campbell of Ohio asked him to accept as an amendment thereto in effect to repeal so much of the Kansas bill as declares void the Missouri Compromise.

Stephens: I do not accept it.

Washburn of Me., said Stephens' proposition was a side blow to kill the Kansas bill. Stephens expressed his desire that the latter be referred to a committee of the whole on the state of the Union. He indicated the Kansas-Nebraska act and condemned the movements of the Northern people to thwart the policy of the measure.

The bill was further discussed by several members, when Mr. Grow moved the previous question, which was sustained, 98 to 63, and the main question ordered as the first business for Monday. Adjourned.

SPRING, Caroline County, Va., March, 1851.

MESSRS. BROWN & WOOD, Richmond:

GENTLEMEN:—I have used Brown's Mexican Sarsaparilla with Sarsaparilla and Yellow Dock, in my family and in my practice, and have found it to be a most valuable remedy in every case for which it is recommended. As it has proved, as a family medicine, all that you recommended it to be, I have resolved to keep no other, and have accordingly discarded all others, and will hereafter confine my practice to Carter's Spanish Mixture. I consider it the best blood purifier extant, and shall continue to prescribe it. I am very truly, Your friend,

DEAR SIR:—I have used Dr. Morse's Indian Root Pills in my family for the last two years with the most beneficial results, and I have no hesitation in saying that they are the best family medicine now in use. *Morse's Invigorating Cordial* is also a valuable remedy, and I have used it with great success in my practice.

SPARTANBURG, S. C., March 15, 1855.—DEAR SIR:—I would inform you that I have been afflicted for several years with *Dyspepsia* in a very aggravated form, for which I used Sarsaparilla, Iodine, and various other remedies, without obtaining any relief. From the various testimonials in favor of Hoofland's German Bitters, I was induced to try them, and now I can with pleasure, state that through their use I am entirely restored to health. I have done for your consideration, I remain, dear Sir, Yours truly,

Ever before offered in the West!

Being connected with several large manufacturing establishments and importing houses at the East, giving us an advantage over any other Mercantile House in the State, and having long resided and done business in this city, and our established principles of doing business being well known to every city and country customer to be of the most liberal nature, we flatter ourselves that we can say with safety that we consider competition quite out of the question.

We would say to

COUNTRY MERCHANTS,

who design going East to purchase, that we would esteem it a favor if they would favor us with a call before leaving for New York and Boston, as we feel quite confident that we can convince them that it is to their interest to purchase in Milwaukee.

BOWLING FOR THE MILLION!

The Nucleus of Pleasure Reduced to Five Pence

DURING THE DAY!

THE "BADGER STATE" SALOON TRIUMPHANT!

Roll away, bowl away, roll away all,
Set up the pins, boys, the price is but small;
Off with the coat, now, and roll up the sleeve,
And at it, my jolly lads—heave away, heave.

With the arm's muscles bare, for one hour, fling
Dull care to the air, and at five cents a string;
Roll away, bowl away, hearty and strong,
'Twill develope the man, and his life thus prolong

Who would sit moping all day in his chair,
When pleasure and profit, so rich and so rare,
Can be had, and that, too, at such a cheap rate,
At the Bowling Saloon of the old "Badger State.

Come, then, "Young America," foreigners too,
Here's rolling and bowling—not just for the few,
But for old and for young, for little and great—
Come join in the fun at the old "Badger State."

Entrance both on Main and East Water Streets.

GALLERY

NO. 221½ East Water Street, Empire Block, to examine their beautiful and finished specimens of Photographs, Ambrotypes and Daguerreotypes.

Mr. Horn is a painter by profession, and invites public attention to his style of painting Photograph. These pictures EXCEL THE FINEST PAINTING UPON IVORY, and while they equal the works of the Masters in their delicacy and richness of coloring, far surpass them in exactness of delineation and PERFECT FIDELITY TO FEATURE, expression and nature.

Friends, relatives and lovers may now rejoice in the possession of perfect likenesses, at a price that places them in the reach of all. Our painted Photographs are warranted to be all that is here represented, and we guarantee them to preserve their color without fading, at least as long as painting on ivory.
